SUPPORTING PEOPLE IN SALFORD TO LIVE WELL WITH DEMENTIA

Friendly, relaxed, safe and welcoming day centre in the heart of Salford's community for people living with dementia.

The Poppy Day Centre has been specially designed as safe, warm, relaxed and friendly space, which focuses on person centred care for people dealing with moderate to advanced dementia.

We offer:

- a purpose built gardens with safe flooring and seating areas
- assisted exercise machines
- a specially equipped bathroom for safe and pleasant personal care
- a comfortable and relaxing quiet room and reminiscence room
- a therapy kitchen for assessment and cooking sessions
- an activity and crafts room to help people keep physically and mentally active

There is a spacious dining area for meal times and our lounge facilities provide comfortable and pleasant surroundings for service users to relax in.

Our highly trained health and social care team support people with dementia with a range of activities to meet their needs and interests, in a welcoming and safe environment. Activities might include crafts, quizzes, music, reminiscence, gardening, games and discussions.

"MY MUM LOVES THE TIME SHE SPENDS AT POPPY, THE ACTIVITIES AND THE STAFF ARE GREAT. I FEEL HAPPY IN THE KNOWLEDGE THAT SHE IS IN SAFE HANDS AND ENJOYING HERSELF."

- Jenny

Our team also support carers and relatives and encourage them to use other services. Regular carers meetings are a chance to meet with other carers, chat, exchange experiences and relax.

Poppy Day Centre is open five days a week, Monday to Friday, between 8.30am and 5.15pm.*

GPs can refer patients to the local social work or community mental health team.
