What's available at Brierley ...

Brierley Community Hub provides a safe and relaxing environment, specially designed to ensure we fully meet the needs of those whom we support. We have a large common space for group and community activities and a smaller room for more focused or specialised activities.

Our on-site cafe serves a range of nutritious meals, drinks, and snacks throughout the day, and is also home to our Catering Academy which provides training opportunities to young people with learning disabilities.

Our highly skilled workforce works in partnership with other professionals, such as physiotherapists and clinicians, to ensure we provide a holistic approach to all. We also offer personal care facilities which can be hired out privately.
